## Chips

Through all the chill wind, rain, and general gloominess that prevailed at the George Washington City College of New York game, there was one group of loyal G. W.ites which persisted in cheering until the final whistle blew. Even in the last moments of play, they cheerfully called for a touchdown, and harmonized to some extent on the anthem, "Hail to the Buff and Blue."

Much earlier, of course, most of the guests from the city high schools who occupied a good part of the stands, together with George Washington students who fail to realize that a winning team is no more theirs than a losing team, had departed. Still this tenacious group clung to its perch, near the top of the stadium, at the fifty-yard line, where all true fans congregate, and yelled:

Maybe they were heard by the team. Cynics will say that they weren't. But at any rate, they were doing their best to cause a Buff and Blue victory—and when anyone does his best, it is not to be lightly regarded.

As for the game itself, Biensstock was the big noise from Gotham. He should have been stopped; he wasn't. That tells the story of the contest Saturday.

Next Saturday, the Colonials will try again to break into the scoring column, and our guess is that in the game where George Washington first scores, a comfortable score will be rolled up against the opponents. A world of confidence will be imparted by the first crossing of the goal line.

And, though the George Washington team is composed of gentlemen, who won't hurt Mary in the game Saturday, pity poor William when Barrows, Carey, and Lopenan land on him! Our guess is that the Indians are in for a scalping, and that anyone who misses the game Saturday will miss an opportunity to see the Colonials win the first game this year.

As a prelude to the game, movies of the tilt with City College will be shown at a local theater Friday night. The night has been set aside as George Washington Night, a decided honor to come to the University, since other local colleges have been passed by inaugurating this new feature in Washington.

A fellow still has a chance to make the midnight show after studying—a welcome relief. And after classes Saturday, the first victory of the year. Looks like a full week-end.

Some former George Washington man has written a book entitled "Nuggets of Knowledge," which answers all sorts of questions. We don't think so much of it, for it doesn't tell who's going to win the election, who is going Phi Phi or Chi O, or how bad we'll beat Catholic U. this year.

And another thing we'd like to ask this wise book is, "How can these women keep from talking to each other during this non-communication period, and if so, is that why they are all so worried these days—waiting patiently for Friday to come?"

Inter-fraternity basketball gets under way, and from the talent shown, the players have inherited all the fight of the Ironmen, plus numbers, so easily lacking today. These fraternities fight as if for their existence, instead of for a cup to attract pledges in September and October, 1929.

Somebody had a brain-storm when the star of the "Kingdom of God" was listed as "Ethel Barrymore." Hollywood, thy reputation has spread!

We tried to crash this S. A. E. Bohemian Ball, but an arab, two farmers, and a sailor gave us the bum's rush.

The library threatens to have anyone expelled who takes a reserved book from the room. We'd like to pass a law to the same effect about keeping our cigarettes. And pencils, say, if you see a green one, return it to your Irish friend.

DICK ROLLO.

## NEXT OPEN DANCE TO BE HELD NOVEMBER 3

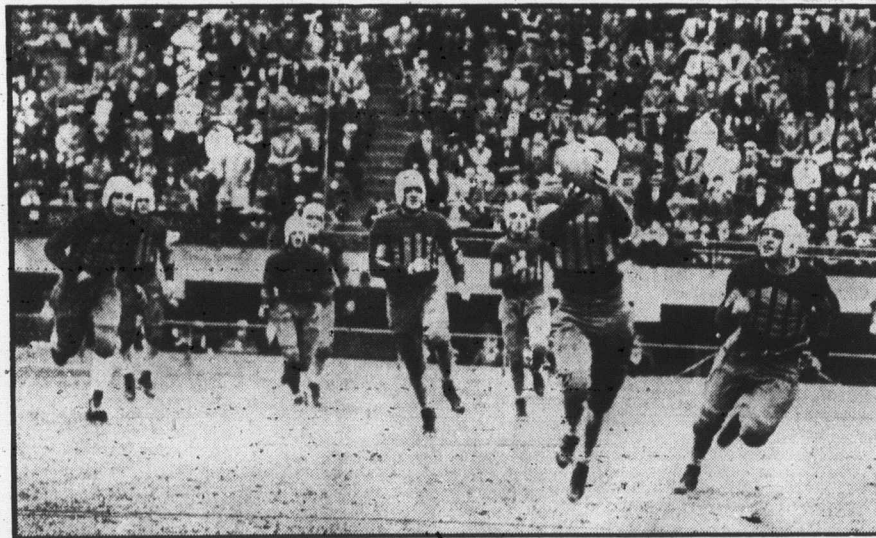

Held Night of William and Mary Football Game

With the hope of even surpassing the last open University dance, the Interfraternity Council is making special plans for the next one to be held on Saturday evening, November 3.

As this dance is on the day of the William and Mary-George Washington football game and a large number of students of the former institution are expected here for the game a gala affair is promised.

The dance will be given in the Gymnasium from nine until twelve, at the customary subscription of one dollar, couple or stag. Kenny Mulford's well-known orchestra will be featured.

That the Council is doing everything in its power to make the dance a success is evidenced by the fact that the Gymnasium is being decorated with the fraternity banners as well as the floor put into excellent shape.

## THEATRE BENEFIT IS SPONSORED BY BRILLIANT GROUP

Patroness List of Columbian Women Benefit is Headed by Mrs. Calvin Coolidge

ETHEL BARRYMORE IN PLAY "KINGDOM OF GOD"

Distinguished Washingtonians and Large Student Group Witness Benefit Performance

The Columbian Women benefit theatre performance at Poli's Theatre on Monday evening, October 29 was attended by a long list of distinguished patrons and patronesses, headed by Mrs. Calvin Coolidge.

A few hours after the box office opened, tickets to the benefit performance of Martinez Sierra's new play, "The Kingdom of God," starring Miss Ethel Barrymore, were completely sold out.

The first Washington performance of the new play was presented to many distinguished Washingtonians in the boxes and university students massed in the balcony. Virginia Mitchell, President of the Panhellenic Association and George Von Dachenhausen, President of the Interfraternity Council occupied loge boxes as did Theta Delta Chi Fraternity. Each of the Greek letter societies on the campus and the Y. W. C. A. of the University were represented by a large group of members. Banners of all the fraternities around the balcony lent a festive air to the occasion.

Actress is Favorite  
Martinez Sierra is one of the greatest contemporary Spanish dramatists, and his play was one of particular interest to a university audience. As an actress, Miss Barrymore has been a favorite for years with American audiences, holding her place by the perfection of her art and the magnetism of her personality. Miss Barrymore showed particular interest in the performance given for the Columbian Women Benefit both because of the audience and the cause for which the benefit was given.

The list of distinguished patrons and patronesses, headed by Mrs. Calvin Coolidge, is as follows:

## Clapham Attends Sigma Tau National Conclave

Engineering Society Convention to Consider Plans for Merger of Sigma Tau With Tau Beta Pi

Wentworth B. Clapham, Sphinx of Xi Chapter of Sigma Tau, honorary engineering fraternity, has been appointed the local delegate to the national conclave of the fraternity which meets at the University of Illinois, Champaign, Illinois, on November 1, 2, and 3.

As a result of the efforts of the Association of College Honor Societies to eliminate the duplication in the honor society field, the Sigma Tau national conclave faces the difficult task of approving a merger with Tau Beta Pi. Both Sigma Tau and Tau Beta Pi have the same general purpose, and it has long been thought that a merger would be desirable.

Tau Beta Pi was founded in 1885, at Lehigh University and has a membership of 14,000 members. Sigma Tau was founded in 1904, at the University of Nebraska and now has a total membership of approximately 4,200. The merger would result in a united national engineering fraternity of over sixty chapters.

The George Washington chapter of Sigma Tau was founded in 1921. Three of the alumni of this chapter have been on the faculty of George Washington University, while others may be found on the engineering staffs of many of the important companies throughout the country.

## UNIVERSITY TEAM TO MEET BRITISH DEBATERS TONIGHT

Mothershead, Kernan and Prentiss, Experienced Students, Will Compose Team

VISITING TEAM MEMBERS PROMINENT IN DEBATING

First Women's International Debate Held; Subject of Interest to General Public

George Washington University's annual international debate will take place this evening in Corcoran Hall, room 1, between a team of women debaters representing the universities of Great Britain and a team of George Washington women debaters. The question is "Resolved, That the popular reading of psychology is undermining morality."

This is the first time in the history of international intercollegiate debate that a woman's team has visited this country. The international debates, of which this is the seventh, have been outstanding events of the University calendar since their inauguration in 1923, when a team from Oxford University met a George Washington team for the first time. Held in Memorial Continental Hall, this debate was widely attended by members of the diplomatic corps and official Washington.

Since 1923 George Washington University has debated Cambridge and Oxford in alternate years. In the spring of 1927 a team from George Washington was chosen to represent the colleges and universities of the United States in a tour of England.

The British team arrived in Washington on the evening of October 30 and have been continuously entertained. The team is composed of Nancy Samuel of Somerville College, Oxford University; Morgery Sharp of Bedford College, London University, and Leonora Lockhart, of Girton College, Cambridge. The members of the George Washington team are Marjorie Mothershead, Ruth Kernan, and Helen Prentiss.

Miss Samuel is the daughter of the Rt. Hon. Sir Herbert Samuel, G. C. C. He has been a member of Parliament, a member of the British Cabinet, and High Commissioner for Palestine. Miss Samuel went out to Palestine with her family, where she continued her studies under various teachers. She also did extensive traveling. With her background of close association with national and international politics and widespread travels, Miss Samuel is well prepared to meet her American opponents in debate.

Morgery Sharp has written quantities of verse and has taken part in many dramatic performances. While at London University, she has been active in writing and acting. Miss Sharp has been connected with *New Troy*, *The Granta* and her college magazine, and has contributed to *Punch* and *The Spectator*.

Miss Lockhart is a daughter of Captain Murray Lockhart, R. N. From her earliest years she has shown unusual facility of speech. From Queen's College Miss Lockhart went up to Girton College, Cambridge with the Gardner Scholarship in History. Here she became an active member of two political clubs and spoke frequently in the Debating Society, as well as taking part in several dramatic performances. Besides living in South Africa she has traveled frequently on the Continent, but this will be her first visit to America.

Miss Mothershead has taken part in several dramatic and operatic performances; has been connected with the Women's Glee Club, and has taken an active interest in debating. She coached debating in high school and has been an active member of the George Washington team.

Miss Kernan is a member of the Wo-

## COLONIALS BOW TO CITY COLLEGE WITH 33-0 SCORE

Home Team Shows Lack of Driving Power; Makes Short Gains By Aerial Route

COACH CRUM USES FIVE NEW PLAYERS IN GAME

New Yorkers Get Revenge For Last Year's Defeat of 19-6 at George Washington's Hands

For the fourth time in as many weeks, the Colonials went down in defeat before a heavier and superior opponent, when they bowed to the eleven from City College of New York last Saturday by a score of 33-0. As in previous games, the home team showed lack of a much-needed driving power and were forced to content themselves with only short gains by the aerial route.

It was sweet revenge for the New Yorkers, who only last year were on the short end of a 19-6 score in their game with the Crummen. Starting their scoring early in the second quarter the visitors lost no time in riling up four touchdowns in this period, while holding their hosts scoreless. Up until this time the contest had been fought on even terms, with neither team able to gain an edge although the Colonials had the ball most of the time during the first quarter. Willing to let their opponents have possession of the ball, the visitors were content to resort to the punting game and lost no time in kicking as soon as they obtained the ball.

In an endeavor to break his string of defeats, Coach Crum used five new players in the fray, but to no avail. The most brilliant of these was Morrow, who played a fine game at one of the half-back posts. Without the use of a headgear, the plucky newcomer showed fight worthy of a veteran, and time and again brought an opponent to earth after he had evaded the entire Colonial team. His gameness won him many plaudits from the some 5,000 in the stands.

Carey in New Position

Jim Carey also showed up well for the home team, appearing in a role new to him—the center post. Carey handled himself like an old-timer at the snapper-back position and displayed no flaws in his passing. The star also was called back to kick several times during the fray, showing the extreme versatility of the veteran.

After an exchange of punts, City College got the ball on the G. W. 30-yard line, toward the end of the first period. Starting a drive down the field, the visitors rushed and passed their way to the Colonial 6-yard line, where the oval rested at the close of the quarter. After Beinstock had made 5 yards, Cohen carried the pigskin over for a touchdown and Halpern kicked the goal.

The second score came a few seconds later, when on the second play after the kick-off, Morrow fumbled the ball and Bokot recovered for the C. C. N. Y. and ran the 30 yards for a touchdown. This time Halpern missed the kick.

Further scoring was lacking until the middle of the period, when Vance, intercepted Lopenan's pass on the G. W. 27-yard line and ran the remaining yards to a score. Halpern's kick was blocked.

This was followed by another marker in the next few minutes, when C. C. N. Y. obtained the ball on the Colonial 46-yard line. Three rushes, a pass and a penalty, took the ball to the 5-yard line from where Grossman raced around end for the fourth score. Grossman passed to Reuben for the extra point.

The final touchdown was registered in the third period, when Bokot recovered Lopenan's fumble on the G. W. 15-yard line. On the third play, Halpern prepared to hold the ball for Beinstock, apparently for a field goal, but when he received the oval, handed it to his teammate instead, who started to the right and then reversed his field to run for the score. Halpern added the point. The play-by-play:

First Quarter  
Gates received the kick-off for G. W. and ran back to the 40-yard line. Morrow went around left end for 8 yards on the first play but the C. C. N. Y. defense stiffened and 2 line plays netted only a yard. Carey kicked and the ball was grounded by a G. W. player on the New Yorker's 5-yard line.

Barkman immediately kicked and Morrow received the ball on the City College 33-yard line. After Morrow had failed to gain, Lopenan's pass was intercepted by Beinstock on his own 25-yard line.

Barkman again kicked and Morrow took the ball on the G. W. 43-yard line. Barrows made 2 yards through right tackle before Morrow was thrown for a 5-yard loss on an attempted end run. Lopenan passed to Barrows who went to the visitors' 49-yard line. Carey kicked to the City College 18-yard line where a Colonial downed the ball.

## A MATTER OF CHARACTER

After the four successive defeats suffered by the George Washington football team many reactions can readily be observed on and about the campus. Some commendable and some otherwise.

A few things, however, are certain. The team has not done as well this year as Coach Crum's teams in former years, nor has the student body shown the proper spirit in its only chance to render its support. In trying to place the responsibility for a team, be it a winning combination or not, there are three factors which must be taken into consideration; the material available, the coach, and the student body. These three factors usually play a part of importance ranging in the order named.

Let us consider the material available from which this year's team had to be moulded. At the opening of the season seven men reported for practice. This number, containing only four men from last season's varsity squad and a few men from last year's freshmen team, gradually grew until the squad numbered eighteen light men. It is very apparent that such an inauspicious start could in no way be taken as a good omen. However, if a team, even though light and inexperienced, trains well and fights hard it can play good football, such as was displayed by the Colonials in their first two starts of the present season. But a team that breaks training and stops fighting hard, on the other hand, can not play good football despite anything the coach or student body may do.

As for the coach, let us remember that "Maud" Crum has long since established his right to the title of one of the best coaches in this section of the country. His record of only seven defeats in four years bears this out. Today Coach Crum is teaching just as much football of the same high quality as he taught in any one of his four successful years at George Washington.

The student body, at its best a very changeable and undependable element, was given its first chance to lend the team support last Saturday. The support, aside from that of a minor portion of the crowd, was not only small but rather of a negative nature. No team could succeed in the face of an antagonistic student body.

The present lack of support and spirit might be accounted for by two reasons. In the first place the student body may have a feeling, whether based on fact or fancy, that the football men are not consistent in their training and are not putting forth their best efforts in battle. If this feeling is based upon real fact the students are justified in their attitude, for who wants to help anyone who will not help himself? If this feeling is not based upon substantial grounds, the only other solution is that the students are lacking in what is rather vulgarly but forcibly known as "guts." It is for the student to remember that no matter how hard it is for him to see the team representing his school go down in defeat time after time it is many times harder for the athlete who is taking part in the game. It is easy enough for a school to become very enthusiastic over a winning team, but the test of spirit and character comes when that school's team is suffering defeats.

We can only hope that the Colonial squad will train faithfully and fight hard for every inch of ground they gain or lose, and that the student body will put its back to the wall and fight just as hard—and above all things, try to hide the white feather which seems to form an integral part of the make-up of many of its number.

IMAGINE our astonishment when we arrived at school on Monday morning and found the sorority girls carefully high-hatting the same freshmen whom they had been rushing so frantically for the last three weeks! And then we remembered non-communication—that time-honored custom of G. W. which makes it necessary for rushing to be done by the various "big sorority men" for several days. We hope that the arrival of Halloween with its many masquerade parties will not seriously complicate matters. It offers a wonderful opportunity for sorority girls to hold long conversations with freshmen and to have the excellent excuse that they failed to recognize them in masquerade costume! Just another of those contingencies for which Pan-Hellenic didn't provide!

The pledges of Theta Upsilon Omega Fraternity will entertain the pledges of the other fraternities at an informal dance at the chapter house on Wednesday, November 7. They are planning to make this an annual affair, and a gala time is promised.

Acacia gave its Halloween celebration in the form of a Masquerade Ball at the house on Tuesday, October 30.

Marian Harrison, Frances Robinson and Janie Martin drove to Richmond last week-end to attend the V. M. I.—Maryland football game.

The S. P. E.'s are holding their annual Masked Ball at the chapter house tonight, and everybody is looking forward to an evening that will be most worth while.

S. A. E.'s Bal Boheme on Friday, October 26 was pronounced a knockout, as usual. It was probably just as well that they picked the next day to leave what was left of the old house and move to their new one!

Beta chapter of Phi Delta Gamma was entertained at tea by Miss Elsie Green on Sunday afternoon, October 21. At the conclusion of the tea, plans were discussed for a bridge party to be held by the sorority on the evening of November 7 at Corcoran Hall. The committee for arrangements for the bridge included Miss Elsie Green, Camille DuBoise, Florence Wallace, Esther Colvin, Clyde Roberts, Pauline Lohman, Lillian Dutton and Edith Haydon. Tickets may be secured from the members of the sorority or from Miss Emma Thom, The Northumberland.

Theta Upsilon Omega announces the pledging of Wendell H. Bain, Burton R. Kirby and William G. Shipman.

The inter-fraternity council will hold its second dance of the year in the Gym, Saturday, November 3. It is expected to come up to the standard set by the last dance, with the football teams of William and Mary and George Washington as guests.

Pi Beta Phi had a slumber party at Vivian Ward's on Thursday, October 25.

Phi Sigma Kappa is holding its Halloween dance at the house, Wednesday, October 31. Jack Dudley and his orchestra will furnish the music.

K. A. promises another big success with their dance Friday, November 2, at the Lafayette. Harmony will be furnished by the well-known Dagmoir orchestra.

Among those giving spooky Halloween dances, was Sigma Chi. The dance was held at the house on Friday, October 26, with a variety of costumes to brighten things.

T. U. O. is holding a dance at the house tonight, which promises to be a success.

Colonial Wig staff banqueted at the Tally-ho Tavern last Wednesday evening, October 24, amid the atmosphere of archaic lamps and colonial saddles. Mr. and Mrs. Douglas Bement and Helen Dix, ex-editor were honor guests.

Zeta Tau Alpha gave a formal dance at the Willard on Thursday, October 25 for a number of rushees.

The Theta Delta Chi's were among the box-holders at the Columbian Women Benefit performance at Poli's on Monday, October 29. Their guests included Grace McLean, Kitty Boykin, Aubrey Danilson, and Dorothy Schenken.

Pi Beta Phi gave their final rush luncheon October 25 at the Club St. Marks, then returned to their rooms for further entertainment.

Gamma Beta Pi's final luncheon was held at the Carlton, Wednesday, the 24. The guests included Mrs. Cloyd Heck Marvin, several Gammas and, of course, the rushees.

Kappa Delta entertained a few rushees at Bridge on Tuesday, October 23.

Phi Mu entertained several rushees at breakfast at the Blue and Gray on October 27.

## Der Schoenfeld Verein Holds Regular Meeting

Delightful Musical and Literary Programs Planned for Coming Meetings with Lectures by Prof. Gropp

Der Schoenfeld Verein held a regular meeting on Friday night, October 26, in the Chi Omega Rooms, at which a number of German students appeared.

After the business was disposed of, a delightful program was presented by Mr. Shull rendering a flute solo accompanied by Virginia Shull. This was followed by one of Schiller's poems, which was done in pantomime by two members of the club.

Plans of the German Club for the coming year include many original and delightful programs, a regular part of which will be continued lectures by Professor Gropp at each meeting on the subject of German civilization.

West Indian Chamber of Commerce Will Distribute Book Through British Empire

"Statistics For the Study of British Caribbean Economic History, 1763-1833," the third by-product of Dr. Lowell Joseph Ragatz' book "Fall of the Planter Class in the British Caribbean," will come from the press of Bryan Edwards, Ltd., London, on November 15.

Two other works, "A Guide to the Official Correspondence of the Governors of the British West India Colonies with the Secretary of State, 1763-1833," and "A Check-List of House of Commons Sessional Papers Relating to the British West Indies and to the West Indian Slave Trade and Slavery, 1763-1834," were published by Bryan Edwards, Ltd., last fall.

This third volume, Dr. Ragatz states in his preface, is designed to facilitate an understanding of social and economic forces undermining the old plantation system in Great Britain's West India holdings. The text was originally prepared for private use in connection with writing "Fall of the Planter Class in the British Caribbean," but like the other two volumes, was deemed sufficiently important to warrant separate publication.

## Studied Five Years

Over a period of five years' research in the United States, France, and England, governors' dispatches, Custom House returns, documents in the West India Committee archives, and the British museums, House of Commons Sessional Papers, contemporary price lists, and the like were carefully collected and are specifically referred to in the work which has been treble checked to avoid error.

Among the statistics contained in the book are elaborate tables of census returns and vital statistics at various intervals, the cost of slaves of various tribal groups, and the quantity and

type of exports shipped each year during the 70-year period.

Shipping returns, colony by colony, in trading with the North American mainland, the price of plantation supplies, and the wholesale price of tropical produce sold in England and on the Continent are included together with other tables of importance to the historian and the student.

Already, in advance of publication, 250 copies of this work have been ordered by the West Indian Chamber of Commerce, for distribution to libraries throughout the British Empire.

The book is dedicated "To the Memory of Sir William Young, Bart. F. R. S. M. P., Enlightened Caribbean Proprietor, Able Leader of the Colonial Interest in Parliament, Brilliant West Indian Administrator."

Major-General John A. Lejeune, commandant of the Marine Corps, Admiral T. J. Cowie, Colonel LeRoy W. Herron, Lieut.-Col. Robert P. Parrott, and Capt. Geo. F. Unmacht, acted as ushers at the wedding. A reception was held at the Mayflower Hotel immediately afterward and this was followed by a ball lasting until midnight, which was attended by military attaches of several of the foreign missions.

## GREEKS FINISH FIRST WEEK OF BASKET TOURNEY

Fraternity Basketball Teams Enter Second Round of Play

### PHI SIGS HAVE EDGE

Show Great Offensive in Easily Defeating Kappa Alpha and Acacia Teams

By EDWARD JAMESON

The close of the first week of interfraternity basketball found Phi Sigma Kappa the only team which can be considered as yet one of the chief contenders for the 1928 championship. Defeating the K. A.'s decisively in the opener and then following with a one-sided victory over Acacia, the Phi Sigs showed their unsuspected strength and were the only team to win two games last week. Other teams who still remain undefeated but who have only chalked up one victory are Delta Tau Delta and Theta Upsilon Omega of League A, and Sigma Alpha Epsilon and Kappa Sigma of League B.

Mid-season form, especially in the passing and defensive departments of the game, was displayed by a number of the teams, although lack of practice showed up in spots. Basket shooting in many instances, was the poorest of poor and none of the teams were able to drop in free throws with the regularity that will be seen later.

Standings of the two leagues through Friday's games are:

League A	W	L	Per.
Delta Tau Delta	1	0	1.000
Theta Upsilon Omega	1	0	1.000
Sigma Chi	1	1	.500
Sigma Nu	0	1	.000
Delta Delta Chi	0	1	.000

League B	W	L	Per.
Phi Sigma Kappa	2	0	1.000
Sigma Alpha Epsilon	1	0	1.000
Kappa Sigma	1	0	1.000
Kappa Alpha	0	1	.000
Sigma Phi Epsilon	0	1	.000
Acacia	0	2	.000

Upsetting the proverbial dope bucket with an unsuspected kick, Phi Sigma Kappa opened the 1928 interfraternity basketball season Monday night with an overwhelming victory over Kappa Alpha, runners-up last year, 26 to 15. And it was a point at a time, made on account of these insignificant things called fouls, that decided the score, the Phi Sig squad sinking 13 free throws, enough alone to have won the game.

Playing fast although somewhat rough and unpolished basketball, both teams maintained the same pace during the first half, a short field goal by Sox just before the whistle putting the Phi Sigs in the lead, 11 to 9. The winners came back with a rush after the rest period, holding the K. A.'s scoreless until late in the third quarter. Shortly before the end of the game, the fourth K. A. man was removed from the game on personal, leaving but four men on the floor to finish.

Thacker, Phi Sig forward, played real ball, covering the floor in great fashion and leading the scoring for both sides with 12 points. "Bubby" Terry, K. A. forward, was the outstanding floor man for the losers during the short time he remained in the game with Clegg and Alexander tied for scoring honors with five points each.

Line-ups for the game were:

P. S. K. (26)	K. A. (15)
Thacker (12)	R. F. (1)
Gray (4)	L. F. (1)
Toal (1)	C. Alexander (5)
Castell (5)	R. G. Highsmith (1)
Sox (2)	F. G. Haddock (2)

Substitutions: Phi Sig—McClellan (2) for Toal. Kappa Alpha—Phillips (1) for Highsmith, Highsmith for Terry, Christie for Clegg, Davis (1) for Highsmith. Referee—

Theta Upsilon Omega started the season with an easy victory over Sigma Chi, 35 to 15, in their opening

## FOOTBALL PICTURES TO BE FEATURED AT EARLE

Films of G. W.-City College Game To Be Shown at Theater—Friday Midnight

Motion pictures of the George Washington-City College of New York football game will be shown during the midnight show at the Earle Theater Friday night.

The evening has been set aside as George Washington Night, and as accompaniment for the movies of the game, which will form part of the Paramount News Reel, songs of the University will be played by the orchestra. These songs will include "Hail to the Buff and Blue," hits from the Troubadour shows, and other numbers popular on the campus.

Arrangements have been made whereby tickets for the performance are being sold at the office of the University Hatchet, at the Gymnasium, and at the Bursar's Office. Tickets are for unreserved seats, and will be sold for fifty cents each. First come first served is the plan in seating the audience at the midnight show.

Twenty per cent of the cash collected from the sale of tickets at these three places will be turned over to the George Washington football fund. Sale of tickets closes Friday evening at five o'clock. Herbert E. Angel is in general charge of the sale of tickets.

The newsreel will show glimpses of the Colonials in action, close-ups of Coach Crum and Captain Lope-man, and photos of the crowd attending the game, including President Cloyd Heck Marvin and Dean Henry Gratton Doyle, who occupied specially reserved seats near the press box at the game.

## G. W. Co-Eds Attend All-English Match

Hockey Enthusiasts See All-English Team Defeat Baltimoreans in Fast Game

George Washington hockey enthusiasts turned out in a large number to see the All-English hockey team defeat the All-Baltimore eleven, 19-0 Wednesday afternoon, in the Baltimore Stadium.

Members of the varsity squad and all others interested in hockey were urged to go over and get pointers on improving their game.

Efforts were made at the next practice to put into effect the speed and accuracy of the English team.

Among those present from G. W. were: Mrs. Russell, Miss Davis, Jenny Turnbull, Maxine Alverson, Louise DuBose, Caroline Hobbs, Ruth Chindblom, Josephine Trey, Sarah Reed, Virginia Whitney, Mary Sproul, Mary Detweiler, and Alice Adams.

## WOMEN'S TENNIS REACHES FINALS

Jennie Turnbull and Mary Detweiler Defeat All Comers; Play In Final Round

## FINAL MATCH EXHIBITION

Sproul and Laudick Give Winners Heavy Opposition in Semi-Final Matches

The women's fall tennis tournament has progressed to the final match through five rounds with Jennie Turnbull and Mary Detweiler facing one another across the net.

Jennie Turnbull, Mary Sproul, Mary Detweiler and Ruth Laudick reached the semi-finals by defeating all comers in previous matches. The matches in the semi-final round were well worth seeing as an exhibition of good tennis. They were refereed by Myrtle Crouch, manager of tennis and her assistants, Elizabeth McKelvey, Winifred Beall and Eleanor Kise.

Turnbull, after taking three sets to dispose of Wright in the quarter-finals, defeated Sproul in the semi-finals by a score of 6-1, 4-6, 6-3. Against both Wright and Sproul, Turnbull dropped the second set, but came back strong in the third set to a clear victory.

Sproul, who was defeated early in the tournament last year, has shown marked improvement in her game by her progress through the tournament to reach the semi-finals, and gave Turnbull good opposition. Although Turnbull is the quicker on her feet, Sproul relies on giving the ball a wicked cut on the up-bound. Turnbull displayed her usual wonderful tennis form, played easily and seemed to exert little effort in gaining her points with her steady, consistent game.

Detweiler, singles champion at Central High School last year, defeated Laudick by scores of 6-3 and 6-2 to advance to the final round. Laudick, who has good form and plenty of strength and plays a fast ball for a girl, gave Detweiler a much harder fight than the scores 6-3, 6-2 would indicate. Detweiler has developed a cutting game which defeats her opponent every time.

The feature match between Detweiler and Turnbull which was played off as an exhibition on the university tennis courts early this week drew much attention. The results of the match will be announced later. The ten ranking players composing the women's varsity tennis squad will be announced after the results of the final match have been determined. Players on the squad will be open to challenge by any eligible University woman.

Summary of quarters and semi-final rounds: Turnbull defeated Wright, 6-1, 3-6, 6-2; Sproul defeated Butler, 8-3, 6-3; Detweiler defeated Craven, 6-1, 6-3; Laudick defeated Morris, 7-5, 6-4.

Semi-finals: Turnbull defeated Sproul, 6-1, 4-6, 6-3; Detweiler defeated Laudick, 6-3, 6-2.

## Intersorority Games Scheduled Next Week

All Players Required to Have Medical Examinations Before Allowed to Play

Plans for the annual fall intersorority basketball tournament call for the first games to begin by November 6, according to Julia Denning, manager of the tournament.

The schedule has not yet been completed but will be announced next week. Each sorority will be notified in ample time for preparation for play.

Rules governing the tournament permit each team to play with two alumni members. All players are required to have a doctor's examination before going on the floor. Arrangements for medical examinations may be made through the office of the Director of Physical Education in the Gymnasium.

After the schedule is announced, the basketball manager of each sorority will be responsible for getting her team in shape and being present on the night of the scheduled games. All games will be refereed by Miss Eugenia Davis, coach.

## CONSIDINE WINS TENNIS TROPHY

Large Number Witness Considerine Defeat Phillips in Final Game of Tennis Series

### HOLT REFEREEES MATCH

Good Material Discovered in First Fall Tournament Staged by the University

Bob Considerine won the men's fall tennis tournament by defeating Larry Phillips last Sunday afternoon. By virtue of his victory, Considerine gains a leg on the trophy offered by Professor W. Stull Holt.

The match was played on the 16th Street Reservoir Courts before a gallery of over one hundred people. Prof. Holt officiated as referee.

The scores of the match were 6-2, 6-3, 6-2, but these do not do justice to Phillips, who put up a much better game than the score indicates.

Considerine, who played as well on Sunday as he ever played, exhibited a great deal of driving power and flashed the form that carried him to the front in tennis this summer.

Meanwhile, Phillips, who played extremely fine tennis in spots, was having trouble controlling his serves and strokes.

Play started slowly and the first set was a rather listless affair. However, in the second and third sets, both players treated the crowd to some real tennis, bringing them to their feet several times with remarkable shots.

In advancing to the final round Considerine won two matches last week. In a quarter-final match, he disposed of Jaquette, 6-3, 7-5, in a match that was much closer than expected. He then won from Wallenstein by the same scores.

Phillips played but one match last week, before meeting Considerine. In that, he was the victor over Bill Seidel by the scores of 7-5, 6-2.

The tournament brought out many men of real tennis ability, who promise to develop into future members of the University team.

This is the first time in many years that a fall tournament has been held with any measure of success. The greater part of this success is due to Professor Holt, who has kept in constant touch with the players and prevented many delays.

Two line plays failed and Carey kicked to Barkman, who was thrown on his own 39-yard line. Barkman kicked to Morrow on the Colonial 20-yard line. After an end run had failed, Lopeman fumbled the center's high pass and was thrown on his own 1-yard line. Carey kicked to the G. W. 30-yard line where Barkman was nailed by Allshouse with a beautiful tackle.

The visitors then started the drive which resulted in their first score. On the second play, Barkman passed to Beinstock, who went to the G. W. 20-yard line for a first down. It was the initial first down of the game. Barkman circled the end for 5 yards and Cohen added 4 more through the line. Two line plunges failed to gain but Beinstock went through on the third attempt for another first down on the 6-yard line. Barkman failed to gain as the period ended. Score, 0-0.

### Second Quarter

Beinstock went through for 5 yards, and on the next play Cohen went over for a touchdown. Halpern kicked the goal, making the score 7-0.

City College again kicked off and Barrows ran the ball back to the 35-yard line. On the next play, Morrow fumbled the ball while running around left end, and Bokst recovered for C. C. N. Y. and ran the remaining 30 yards for the second score. Halpern missed the kick. Score, 13-0.

Gates kicked off for G. W. to Barkman, who was downed on his 34-yard line. Barkman kicked to Morrow on the G. W. 35-yard line and the ball was returned 12 yards.

Lopeman's pass to Barrows gained only a yard and his next attempt was grounded. Lopeman again made a long pass which was knocked down by Targum and G. W. took a 5-yard penalty. Carey kicked out of bounds on the C. C. N. Y. 25-yard line.

Goldhammer went through the line for 8 yards and Beinstock made it a first down on the next play. Barkman kicked to Morrow, who was downed on the G. W. 35-yard line. Carey immediately kicked to Barkman on City's 40-yard line and the visitors were penalized 15 yards for roughness. Barkman returned the kick with a punt to Morrow, who was forced outside on the Colonial's 32-yard line. Lopeman punted to the visitors' 10-yard line and Barkman at once kicked to his own 47-yard line, where Morrow received the ball.

Lopeman passed to Allshouse for 12 yards and a first down. The same play netted 7 yards. Barrows went outside on the 22-yard line. Lopeman's next heave was broken up and the New Yorkers took the ball on downs when his following attempt went away.

Beinstock went through the line for 9 yards, and Goldhammer was not stopped until he reached the 39-yard line for a first down. G. W. was penalized 15 yards, giving the visitors the ball on the Hatchette 46-yard line. Grossman passed to Beinstock for 15 yards. A similar pass followed but lost 5 yards. Goldhammer hit the center of the line for 7 yards. Allshouse broke up Grossman's pass and the latter kicked out of bounds on the G. W. 27-yard line.

On the next play, Vance intercepted Lopeman's pass and ran for a touchdown. Halpern's kick was blocked. Score, 19-0.

Barrows took the kick-off to the 31-yard line. Two line plays failed and Lopeman kicked to Grossman, who was downed on the Colonial 46-yard line. Beinstock went through to the 30-yard line. On two plays, Beinstock and Grossman made 5 and 10 yards, respectively. Grossman passed to Beinstock for 5 yards. G. W. was penalized 5 yards, placing the ball on her own 5-yard mark. Grossman went around right end for a touchdown on the next play. Grossman passed to Rubins for the extra points. Score, 26-0.

Beinstock took the kick-off to the G. W. 49-yard line before being stopped, but City College was penalized half the distance to the goal line. Grossman kicked out of bounds on the G. W. 41-yard line, but the Colonials were off-side and the play was called back. A kick went outside on the 30-yard line. Morrow's failed to gain as the half ended. Score, 26-0.

### Third Quarter

The City College kick-off went over the goal line and the ball was placed on the 20-yard mark. Barrows made 6 yards in 2 plays. Lopeman and Barkman then exchanged punts until Lopeman kicked and Barkman fumbled the ball on his own 39-yard line. Rogers recovering for G. W.

A line play netted 4 yards, before Morrow was thrown for a 10-yard loss on an attempted end run. After an incomplete pass, Lopeman kicked, and the ball hit a New York player on the head, Gannon recovering for C. C. N. Y. Cohen went through for 8 yards. Targum made it first down on the 45-yard stripe. Two gains by Cohen and Beinstock gave another first down on the G. W. 33-yard line. Barkman passed to Cohen, who ran to the 25-yard line. Barkman went through center for 9 yards and a third successive first down. Targum failed to gain in 2 attempts. Barkman passed to Targum, but the visitors failed to make first down, and the ball went to G. W.

After a short gain by Barrows, Lopeman fumbled a lateral pass and Bokst recovered on the 15-yard line. Three plays failed to gain, and Beinstock prepared for a placement kick. Halpern, instead of holding the ball for a kick, passed it to Beinstock, who started to the left and then reversed his field and ran for a touchdown. Halpern kicked the goal, making the score, 33-0.

## CRUMMEN MEET WM. AND MARY

Neither Team Has Won Game In Four Starts; Indians Tied In Two

### CRUM'S RECORD BRIGHT

Colonial Mentor Has Lost Only Seven Games In Five Years of Coaching Colonials

Some indication of what may be expected on Thanksgiving Day, when the George Washington Colonials meet their ancient foe, Catholic U., will be given Saturday when the Crummen play host to the team from William and Mary at Central Stadium. When C. U. went to Williamsburg, it emerged victor from the struggle by just one point, winning the game, 13-12, showing the comparative strength of the two teams. If the Colonials succeed in beating the Indians, the hopes for a victory on November 29, will be considerably brightened.

When the whistle blows at 2:30 Saturday, each team will be entering the fray bent on registering its first victory of the season. To date, the Williamsburg eleven has played four games, losing two and tying two. This record is slightly better than that of the Crummen, who have yet to win a game. Whether the fact that William and Mary has played most of its games at night will make any difference, remains to be seen. At any rate, a warm battle is assured with each team intent on entering the win column.

### Team Has Hard Luck

Although they have yet to win a game, the Colonials have truly played in hard luck this season. No less than four of its regulars have been injured to such an extent that further participation was impossible for the time being. This included the entire backfield, which has consisted of in-

yard line. Lopeman passed to Barrows for 6 yards. The same play failed to gain. Barrows again took Lopeman's pass and went to the 35-yard line. Lopeman punted to Beinstock, who signaled for a fair catch on his own 35-yard mark. Beinstock broke through the entire G. W. team to go to the G. W. 49-yard mark, before being stopped by Morrow. Targum went through for 5 yards, before losing on an attempted end run. Beinstock's pass was incomplete as the quarter ended.

### Fourth Quarter

City's ball on the G. W. 46-yard line. Barkman kicked to Barrows, who stepped outside on his own 25-yard mark. Lopeman passed to Carey for a 9-yard gain. Barrows went through for a first down on the 35-yard mark. Lopeman's pass was incomplete. Beinstock intercepted Lopeman's heave on the G. W. 43-yard line. Barkman kicked out of bounds on the G. W. 30-yard line.

Francis took a pass from Carey for 5 yards. Carey passed to Allshouse for only a yard. The former's next pass was broken up by Cohen, and Carey kicked to the C. C. N. Y. 41-yard line. Goldhammer went through for 5 yards. Barkman kicked to Morrow, who was downed on the 26-yard line. Barrows went through for 2 yards before Carey kicked to City's 15-yard line, after Lopeman's pass had been grounded.

Barkman punted on the second play and Morrow took the ball on the G. W. 42-yard line. G. W. took a 5-yard penalty when 2 passes were incomplete. Lopeman then passed to Carey, who went to the Lavender 40-yard line. Carey kicked to Beinstock who ran the ball back 10 yards to his own 30-yard line. Goldhammer broke through to go to the G. W. 49-yard line before Morrow stopped him. Barkman went around right end for 6 yards, but Goldhammer lost 5 yards in the next attempt. Barkman kicked and a teammate downed the ball on the Hatchet 5-yard stripe.

Carey immediately kicked to McMahon, who was downed on the G. W. 20-yard line. The visitors were penalized 5 yards when the play was called back, for being off-side. Carey made 5 yards.

Barkman took Carey's short punt to the G. W. 25-yard line. McMahon went through right tackle for 5 yards. The Colonials stiffened and held the visitors for no gain in four downs. G. W. failed to gain in a series of downs although C. C. N. Y. was penalized 5 yards before the final whistle blew.

experienced men for the past two games. Throughout the season, no more than seven men have been training for backfield positions, which has made scrimaging between the backs impossible.

The line, also, has been a victim of hard luck, which has left it with just one regular in its right position. "Red" Allshouse, star end, is the only regular to retain his original position. Carey, the other flanking man, has been removed to the center position to take the place of Athey who was removed from the squad last week for infraction of the training rules. The other five men of the forward wall are all untried youngsters, who are making a bold effort to fill the gaps.

Not only are the players lacking in numbers, but the managerial staff is small as well. Whereas, there should be three or four assistant managers to assist Manager Weihe, there are none. Weihe alone assists Coach Crum in minor details. To handle the administrative affairs of the team there should be at least four men, but no one yet has appeared to aid Weihe.

That this is a serious handicap to Coach Crum in his effort to develop a winning eleven is shown by the figures which indicate that the present year is by far the worst that a Crum-coached eleven has ever experienced. For the first time in his 5-year regime, his team has lost more than three games, while never before this year has a team under him lost by more than 20 points.

### Crum Has Fine Record

The record of Coach H. Watson Crum is truly an enviable one, when one considers the figures. Until the present season, Crum had seen his men go down in defeat only seven times during all his coaching days at G. W. The seven defeats in five years do not even average two losses in a year which is far above the record of the present season.

Burging his tutelage the G. W. team has risen to national recognition by trouncing such teams as Fordham and Rutgers, while holding the Penn State Lions to very respectable scores. It was this fine record which prompted the Inter-fraternity Council to pass a resolution last spring favoring the retention of H. Watson Crum as football coach and athletic director of the University. It is little doubted that if Crum were coach at any other school with men turning out for football in large numbers, he would have been noted as one of the foremost football coaches of the country. Always handicapped by lack of material, Crum has succeeded in turning out excellent teams. The fact that several large universities have already bid for Crum's services in past years only adds to his prestige.

Therefore, with these records at stake, the Colonials are anxious to atone for their early season defeats and rise to the heights to which they have been accustomed in the last few years.

## FRESHMAN TEAM BADLY DEFEATED

Massanutten Military Academy March Down The Field For Eight Touchdowns

### FINAL SCORE IS 52-0

Experienced Opponents Take G. W. Frosh by Series of Hidden-Ball Plays and Forward Passes

The George Washington freshman football team received a severe beating last Saturday at the hands of Massanutten Military Academy with a score of 52-0.

Although the yearlings fought pluckily against their heavier and more experienced opponents, their playing showed a lack of practice and team work which the other team had. The hidden-ball plays and forward passes of the cadets spelled defeat for G. W., for they gained at will both ways and the freshmen seemed unable to cope with them.

The fine tackling of Purdy, which broke up many of their plays, was a feature of the game, as well as the good playing of all the local backfield men.

Soon after the opening kick-off, Massanutten began a march down the field, but were blocked near the goal line. After Sheiry punted, however, they began again, and this time scored on a long forward pass of Georges to Riley, the latter kicking the point after the touchdown.

After George Washington received the kick-off, Stagers went through right tackle for G. W.'s initial first down. The cadets held and their end-blocked Sheiry's attempted punt, picking it up and running for a touchdown for their second score.

In the second period, Massanutten scored two more touchdowns by the mixing of hidden-ball plays and passes. Toward the end of this period, Boyle recovered a fumble for the freshmen, who began a passing attack of their own. A pass, Gates to Purdy, was completed for another first down, but at this point the whistle blew for the half.

The second half was a good repetition of the first, except the yearling line stood their ground better and the cadets were forced to resort more to the passing game. Toward the end of the game, G. W. made its first real threat. After gaining twice through the line, two passes were completed. Gates to Purdy, and Adam to Stagers. However, Massanutten held again and had begun another march down the field at the final whistle.

## DEBATERS ARGUE AGAINST ANTI-SALOON LEAGUE

Resolution Favoring Suppression of Anti-Saloon League Killed. By Columbian, However

### SMITH'S PROHIBITION STAND TO BE DEBATED

Laughlin Appoints Wingo, Frisbie, Weigle and Simms to Corroborate Dances Committee

That the Anti-Saloon League is an intolerant organization, attempting to make presidents and other government officials mere puppets and trying to impose on the American people a super-government, was the consensus of opinion of the members of the Columbian Debating Society at their weekly meeting last Friday evening, October 26.

In spite of such meagre regard of the organization, however, the society killed the resolution favoring the suppression of the Anti-Saloon League, believing that it would be intolerant to suppress even such an intolerant organization.

The members favoring the resolution, "Resolved, That this house favors the suppression of the Anti-Saloon League," made sizzling denunciations of the activities of the saloon hater's organization. Those that were against the resolution argued that while admitting that the Anti-Saloon League was no paragon of goodness, they believed that there were no valid reasons for its legal suppression.

Edmund Clubb and John F. Jackson maintained the affirmative side. Douglas L. Hatch and Karl F. Frisbie upheld the negative.

### League and Wheeler Attacked

Clubb said, "The Anti-Saloon League is even now threatening Norris for supporting Smith. It is the most intolerant organization in existence."

Hatch came back with the declaration that the members of the League were not herded into it. "It took years to develop this strong organi-

## Mr. McMurray Waxes Poetic over Tobacco

Carrollton, Texas  
May 15, 1928

Larus & Bro. Co.,  
Richmond, Va.  
Gentlemen:

Having been a user of Edgeworth for over eight years, I can truthfully say that it is the best on earth. I am enclosing a little ditty that I believe expresses my sentiments entirely:

Old Man Joy and Old Man Trouble  
Went out for a walk one day.  
I happened to pass when they met  
on the street

And I overheard them say,  
Said Old Man Trouble, "She's as  
wrong as she can be,  
There ain't no fun in anything to  
me, why

I was just talking' to Old Man  
Sorrow,  
And he says the world will end  
tomorrow."

Then Old Man Joy he started to  
grin,  
And I saw him bring out that  
OLD BLUE TIN,  
Then OLD JOHNNY BRIAR was  
next on the scene,  
And he packed him full from the  
OLD BLUE TIN,

And I heard him say as he walked  
away,  
"You have to have a smoke screen  
every day.

When a man gets the blues, and he  
needs a friend,  
He can find consolation in the OLD  
BLUE TIN,  
And I jist don't believe on all this  
earth  
There's a thing that'll match good  
old EDGEWORTH."

Yours very truly,  
F. H. McMurray

## Al Smith Admirers Celebrate Shouting Campaign's Inaugural

The whispering campaign for Alfred Emmanuel Smith that has been going on in George Washington since a Hoover-Curtis Club has been organized in the University, grew into a shouting campaign last Friday evening shortly after the Columbian Debating Society meeting.

Just before the Columbian debate a student leader of the G. W. Law School distributed Al Smith Campaign buttons. Several of the few students who attended the Hoover-Curtis meeting in Corcoran Hall were seen wearing Al Smith buttons during the debate.

Soon after the meeting leading members of Columbian College went out of Corcoran Hall and went down Twenty-first Street to a well known apartment building on Pennsylvania Avenue, singing "The Side-walks of New York." At the Pennsylvania Avenue apartment the student admirers of Al Smith became exceedingly enthusiastic.

When one of the admirers of the New York governor shouted hoarsely, "Gentlemen, we would like to organize a G. W. Smith-Robinson Club, but there is no hall in the University large enough to accommodate us," the party cheered "Al Smith, the next President of the United States" loudly. Some feared they would be thrown out of the apartment.

The button-provider promised those present at the party to bring more buttons next Friday, November 2, when the leading-Smith admirers in George Washington will have their last pre-election celebration.

"People who felt that the saloon was an evil organized together to educate the people about it,"

Jackson, Columbian's iconoclast, attacked vigorously the Anti-Saloon League and Wayne B. Wheeler. "The League has attempted to suppress our appetites. It has advocated abstinence instead of temperance. Wayne B. Wheeler, when he was head of the organization, dictated to Harding what he should do. The League is greatly responsible for many degradations that happened to our government."

Frisbie Pleads for Tolerance  
Frisbie, the cool, calculating Columbian debater, pleaded for tolerance from those who were talking of intolerance. "There are no valid reasons for the suppression of the Anti-Saloon League. Under only trying circumstances should an organization of its citizens be suppressed by its citizens."

The speakers from the floor were no less enthusiastic than the constructive debaters. Lionel C. Stokes, of Georgia, made an eloquent denunciation of the Anti-Saloon League. The other members who contributed were Hearst R. Duncan, Lewis Bembitz, C. T. Shanner and James G. Wingo.

Rose Venitz, a Russian girl, made a brief speech before the debaters. She described existing conditions in Russia. The society cheered her loudly.

### Dance Committee Named

President Charles Laughlin appointed James G. Wingo, Karl Frisbie, George Weigle and George Simms to compose a committee to take complete charge of the traditional fall dance of the Columbian Debating Society. The committee is bent on making the dance the best the society has had yet. It will make definite announcements soon.

Al Smith's stand on prohibition will be debated by the society next Friday evening, November 2, at 8 o'clock, in Corcoran Hall 15. The program committee has selected Lewis Bembitz, Sol Alpher, Harold Arps, and Ralph Joyce to be the constructive debaters.

## FRATERNITIES FINISH FIRST ROUND OF PLAY

(Continued from page 3)

game, meeting with little opposition after the first few minutes of play. Had the losers been a little "luckier" with their shots, the score might have varied somewhat, but the T. U. O's displayed an offensive that was not to be denied.

Poor passing, the jinx of all early season basketball games, was predominant throughout the evening, neither team being able really to get together for any length of time. Herzog and McGrew, T. U. O. forwards, were "right," however, and accounted for 18 of their team's total. Snow, lanky Sig center, was the big gun for the losers, scoring 7 points and playing a fine floor game.

With a lead of seven points at the half, the victors returned to bombard the basket, getting nearly three times as many points as the Sig Chis during the final period. During the final few minutes of play, the losers were only able to keep four men on the floor, but the T. U. O's were unable to take advantage of this break, scoring only one field goal.

Line-ups were:  
T. U. O. (35) Sigma Chi (15)  
Herzog (8) R. F. Brant (2)  
McGrew (10) L. F. Randall (6)  
Blain (4) C. Snow (7)  
Pomeroy (4) R. G. Creebs  
Young (7) L. G. Haley

Substitutions: T. U. O.—Marquis for Herzog, Clayton for McGrew, Suter (2) for Pomeroy, Sigma Chi—Sickler for Brant, French for Creebs,

In the nightcap Tuesday, Sigma Alpha Epsilon, last year's champions, showing a great comeback in the second half, swamped Acacia, 34 to 17. After being held to a three-point lead in the first period, the Sig Alph tossers regained life, running up 21 points to their opponents 7 during the final playing time.

Using the almost identical line-up with which they took the champion-

ship last year, the winners displayed one of the smoothest passing attacks yet shown in the tourney. The scoring, however, was left to one man, "Larry" Knapp, Sig Alph forward, who dribbled, dodged, pivoted, jumped and shot, dropping in nine field goals and four fouls for a total of 22 points. His closest contender for honors of the game was Corbin, Acacia center, who played a good game at the pivot position and was able to account for 11 of his team's points.

Line-ups were:  
S. A. E. (34) Acacia (17)  
Proctor (2) R. F. Spangler  
Knapp (2) L. F. Elsberry (6)  
Neil (4) C. Corbin (11)  
Rigby (2) R. G. LaFont  
Whyte (2) L. G. Holmes

Substitutions: Sigma Alpha Epsilon—Blain (4) for Proctor, Thompson for Knapp, Crofts for Whyte, Acacia—Schradler for Spangler, Blackman for Elsberry. Referee—Sumner, District Board.

Fouls, the downfall of many teams, again made their appearance and sent the Theta Delta Chi quintet down in defeat under the accurate eye of the Delta Tau Delta tossers, 21 to 13, in the first game Thursday night. The Delta sharpshooters dropped in nine of their 14 free attempts, giving them more than their margin of victory.

The winners took the lead soon after the opening whistle, losing it only once, a few moments after the game had started. Although only holding a four-point lead at the half, they came back with a rush, holding the Theta Deltas scoreless during the third quarter and counting enough points to safely glide into victory during the fourth period. As the end of the game neared, the losers began a desperate barrage of the basket, but were unable to make their shots stick, many of them rolling about the rim of the hoop, but dropping out, much to the despair of the Theta Delt fans.

Fleming, diminutive Delt forward, was the bright spot in the winners' line-up, eluding his guard time and again to shoot, making 10 points. Kramauer, playing back for the Theta Deltas, displayed a fine defensive game and got away long enough to drop in a pretty field goal.

Line-ups were:  
D. T. D. (21) T. D. X. (13)  
McOscar (5) R. F. Coombs  
Fleming (10) L. F. Mitchell (3)  
Christopher (3) C. Iverson (4)  
Cornwell (2) R. G. Brumbaugh  
Karnes (2) L. G. Kramauer (2)

Substitutions: Delta Tau Delta—Cluster for McOscar, Ruddiman (1) for Karnes, Theta Delta Chi—Bartlett (3) for Coombs, Barnes for Mitchell, Smith (1) for Kramauer.

In one of the fastest and most hotly contested games yet seen this year, the Kappa Sigs sent Sigma Phi Epsilon's championship aspirations on the downward trend, defeating them 26 to 17 in the second game Thursday night. Never giving up hope, the losers kept up a terrific pace until the final whistle blew, sending the small group of fans present in an uproar at almost every minute.

Both teams started with a rush, presenting passing attacks of mid-season form, but retained the prevalent early tourney style of shooting, principally missing. Three times during the first half the score was tied, but shortly before the end, the winners drew away to a seven-point lead, which they were able to maintain throughout the second period.

With four field goals, each a pretty shot, Hoffman, Kappa Sig forward, led his team to victory, playing a fine floor game along with his shooting. Leffler, S. P. E. guard, covering the floor, breaking up play after play, and displaying some mighty fine offensive dribbling, was the outstanding man of the game. It was through him alone, that the losers were able to keep within striking distance of victory at all times.

Line-ups were:  
Kappa Sigma (26) S. P. E. (17)  
Robertson (6) R. F. Bilsely (6)  
Hoffman (8) L. F. Kerlin (2)  
Mack (2) C. Chambers (2)  
Canney (2) R. G. Boyd (2)  
Popham (7) L. G. Leffler (2)

Substitutions: Kappa Sigma—Morgan (1) for Mack, Sigma Phi Epsilon—Davis (3) for Kerlin, Roberts for Chambers.

Running up the largest score made this year, Phi Sigma Kappa won its second game of the season when it defeated Acacia, 57 to 16 in the first game Friday night. It was the second consecutive defeat for the losers.

The Acacia defense was unable to cope with the fast offensive play of the Phi Sigs who, after the first few minutes of play, scored almost at will. Each man of the original line-up of the winners was able to add at least one counter towards his total, but it remained for a substitute, inserted in the last quarter, to lead the attack. McClellan, going in for Toal at center, dropped in seven field goals and two fouls to be high point man of his team and the game. Corbin, center for the Acacia quintet, again led his team, both on the offensive and defensive playing.

With their upset of Kappa Alpha earlier in the week and their overwhelming defeat of Acacia, Phi Sigma Kappa now loom as one of the leading contenders for championship honors this year.

Line-ups were:  
Phi Sig (57) Acacia (16)  
Thacker (10) R. F. Spangler (2)  
Gray (6) L. F. Elsberry (5)  
Toal (2) C. Corbin (7)  
Castell (9) R. G. LaFont (1)  
Sox (11) L. G. Holmes (1)

Substitutions: Phi Sigma—Kappa; Copeland (3) for Thacker, Richey for Gray, McClellan (18) for Toal, Schutt for Castell, Slye for Sox.

Although defeated by T. U. O. in their first game, Sigma Chi remained in the championship fight by defeating

## NEW REFERENCE TEXT PUBLISHED

Former G. W. Student Is Author Of Question and Answer Book

### ANSWERS ARE AUTHENTIC

New Volume Should be of Value to General Speakers and Writers

The question as to "Why do the donkey and the elephant represent the Democratic and the Republican parties?" "Which Presidents were related?" "How did moonshine, as applied to liquor, originate?" "Why is fashionable society called 'the four hundred'?" are among those answered in a new book entitled " Nuggets of Knowledge," the work of a former George Washington student, recently published in New York by George Sully and Company.

The volume is a composite collection of paragraphs relating to the origin and interpretation of many of the legends, traditions, superstitions, and popular beliefs which daily arise in the minds of people in all walks of life.

The author, George W. Stimpson, was a student in the Law School in 1922 and 1923. Since that time he has been an associate editor of the Pathfinder, a national magazine published in Washington, and for two years he conducted a radio question box over WRC. As a member of the National Press Club the author is well known among the members of the journalistic profession.

### Interesting Questions Answered

The purpose of the work, as outlined in the preface, is to give authentic answers to the unusual and interesting questions of fact and belief which arise from time to time in every day life and to properly evaluate those questions with respect to the established facts. Some of the problems which are controversial and not susceptible to definite solution are met with data collected by painstaking research from widely scattered sources in the various agencies of the Federal Government, the leading libraries and museums in the United States as well as many abroad, and similar data-collecting organizations.

The work is recommended as a reference text for debaters, lecturers, and public speakers as well as leaders in social, religious and political organizations. The information is available in plain, concise and understandable language and is readily accessible through a complete index at the end of the book.

## Librarian Reports Violations of Rules

"Ignorance of Regulations is no Excuse," Says John Russell Mason In Statement

Any student taking a reserve book from the reading room of the University Library will be reported for suspension to his Dean, according to John Russell Mason, Assistant Librarian, who has reported that the students have been lax in observing the regulations of the University.

"Ignorance of the library regulations excuses no one, as the regulations are printed on pages 74 and 75 of the University catalog," says the librarian in his statement, to which he desires to call the attention of all George Washington students.

The reserve book slips must be filled out and signed before a reserve book can be secured. The book must be returned to the Reserve Section and can be used only in the room, according to the statement.

### TOUR FOR MUSIC LOVERS

The past season of summer tourist travel to Europe revealed a decided increase in the number of professional people making pilgrimages to the Old World, according to statistics recently compiled by Dr. Ernest Gray Keller, originator of Student tours and general manager of the Students Travel Club. While Europe continues to attract thousands of college students and teachers, Dr. Keller has noted that during the past summer he has enrolled in his tour parties 250 per cent more musicians than the preceding year, 120 per cent more artists and 47 per cent more physicians.

The increase in the number of musicians visiting Europe has encouraged Dr. Keller to plan a tour especially for music lovers. This tour will include visits to the important music shrines of Europe and will be so timed as to provide participation in the various music festivals that are scheduled.

## DRAMA CLUB MEETS; PURPOSE IS DEFINED

Officers Are Elected and Organization Is Effected at First Meeting

The initial meeting of the George Washington Drama Club held Wednesday, October 24, was attended by about fifty students. Pern Henninger and Edward Moulton addressed the gathering and outlined the object and scope of the activities of the club.

An election of officers was held and Ralph Hilton was chosen president. Other officers of the club are: Warren Briggs, Secretary, and Naomi Crumley, Treasurer. A vice president is to be elected at the next meeting.

The chief purpose of the new club is to discover the amount of talent in the school among those students who are interested in dramatics, according to Ralph Hilton, and it is expected that the cast of the varsity play is to be drawn largely from the members of the club.

The reading of plays and specialty numbers will be featured at the meetings which are to be held on the second and last Wednesday of each month. Members of the club are urged to bring in and read any original manuscripts they may have written.

A program is in preparation for the next meeting which will be held on Wednesday, November 14. President Hilton extends a cordial welcome to all students who are interested and wish to attend.

### COLUMBIA

"Two Lovers," the new United Artists' sound picture at Loew's Columbia, presents Vilma Banky and Ronald Colman in their last co-starring picture. In this picture version of Baroness Orczy's novel, "Leatherstocking," Miss Colman plays the part of the "Flower of Spain," a niece of the barbaric and scheming Duke of Azar, commandant of the Spanish, who is oppressing the Flemish, and he is opposed by the Prince of Orange, leader of the Flemish. The niece is forced into a marriage with Mark Van Ryeke, son of the high bailiff of Ghent. This marriage is apparently intended to pacify the relations between the two countries. Its real aim is to provide Lenora, played by Miss Banky, facilities for spying.

Her forced marriage is made doubly unhappy, soon after, when she learns that her real sweetheart has been killed by the unknown and mysterious Leatherstocking, who is a follower and is in the confidence of the Prince of Orange. She prepares a list of names important to the Spanish, and, accompanied by her husband, sets out to visit the duke. On this journey she finds that Mark is Leatherstocking and that his cause is the just cause. She is, however, too late to save him from her uncle, but she saves the city of Ghent for Mark's people and they recapture Mark. The end of the story finds them in each other's arms.

Added attractions include short sound subjects, the Fox Movietone News, the M-G-M News, the Columbia Orchestra, conducted by Claude Burrows, and selected short subjects.

### EARLE

The Earle Theater presents this week Dorothy Mackall and Jack Mulhall, First National's cinematic team, in a fast-moving tale of life around the docks and piers of a big harbor, "Waterfront," with synchronized accompaniment.

The famed Golden Gate Harbor of San Francisco has been chosen as the background for the story, in which Miss Mackall is cast as the daughter of a tugboat captain, who yearns for a life on the bounding main. Her father (Knut Ericson) has seen enough of the waterfront and wants to spend the rest of his life on a farm. Dorothy seems doomed for just such a life after years around the breakwater when Mulhall, in the guise of a seaman, enters her life. She falls for the handsome sailor, partly, it must be admitted, because she sees an opportunity to stay by the sea. Everything is knocked into a cocked hat, however, when her sailor boy confides in her that his greatest ambition is to buy a farm and desert his ship.

How the question of their future is finally decided forms a climax full of laughs and thrills.

"Waterfront" was directed by William A. Selter, and the supporting cast includes Frances Hamilton, Ben Hendricks, Pat Harmon, James Bradbury, Sr., and Bill Bailey.

The bill is completed with three short screen subjects, Charlie Chase in a two-reel comedy, "Is Everybody Happy," and two Vitaphone presenta-

tions, a one-act playlet, "The Beast," and Al and Vernie Stanton in "Cut Yourself a Piece of Cake." The Earle Augmented Orchestra, under Daniel Breeskin, will offer as a concert overture, "William Tell," by Rossini.

### FOX

"Women They Talk About" is to be the screen attraction at the Fox this week. With Irene Rich and Audrey Ferris starred, this picture has dialogue, sound effects and orchestral accompaniment via the Vitaphone. It is a tale of women in politics and its theme just now is considered particularly timely.

On the stage syncopation will reign with seven star acts, all aiming to create laughter, joy and pep. This marks a return to the series of syncopating revues as stage offerings which proved popular during the Summer months.

Added features will include the Fox Movietone News, a Fox Movietone appearance of Charles (Chic) Sale, rural character delineator, in "The Star Witness," and the Fox Grand Orchestra, Leon Brustloff conducting, offering a selected overture.

Today will mark the third of the symphonie-jazz concerts by the theater orchestra, augmented to 50 solo artists, with Meyer Davis as guest conductor. The concerts are from 2 to 3 p. m., with those attending invited to remain for the stage and screen program immediately following.

### KEITH'S

A new F. B. O. special, "Gang War," is the screen feature at B. F. Keith's Theater this week. This thrilling story stars Olive Borden and Jack Pickford, with a supporting cast which includes Eddie Gribbon, Walter Long and Frank Chew, Chinese actor, Bert Glennon, director of "The Perfect Crime," recently seen at Keith's, directed the film.

In the headquarters of San Francisco's "Bridge Street Gang" of rum-runners and bootleggers, camouflaged as a chandler's shop, Mike Luego, cruel and unscrupulous leader of the gang, is advised by his henchmen that a truckload of their liquor has been hijacked and run off by the gang of his bitter rival, Blackjack Connell. Luego swears vengeance. In this way starts the story of "Gang War."

The stage presentation headlines "The Dancing Fools," Louis and Charles Mosconi, who bring a company replete with talent to present their 1928-29 Dance Revue. They are assisted by Miss Dorothy Van Alet, Miss Berne Doyle and the "Aida Kaufman Girls."

Others on the bill are Lester Crawford and Helen Broderick in "A Smile or Two"; Eddie Parks and Gene Ford in "Show You How to Open Your Own Home"; a company of 15 who present "The Sad Case of Mary Dugan," and Ora and Company in their gymnastic revue.

Harold Lloyd in "Grandma's Boy" and other supplementary features will complete the bill.

The performances will be continuous, showing four times daily, 11:30 a. m. to 11 p. m., except Sunday, when the first performance begins at 2 p. m.

A special midnight performance will be given on election night, November 6, with a special vaudeville show. Reserved seats are now on sale.

### METROPOLITAN

Colleen Moore in what is called her greatest role is seen again in "Lilac Time," a screen epic of the air, this time at Crandall's Metropolitan Theater, where it is being shown this week.

"Lilac Time," which recently broke all-attendance records at the Earle Theater, is a First National attraction and has been synchronized with orchestral musical accompaniment, and sound effects.

The star portrays the role of Jeannine, the little French girl, who lives within hearing of the rumble of the big guns, hiding her tears behind a smile as she watches the youth of the land marching forward to the most terrible conflict in history.

"Lilac Time" is not a war picture. It is a picture of the effects of war and like all great pictures it is realistic, simple. Miss Moore is seen as a pathetic little figure caught in the mealstrom of the conflict, while the war is revived somewhere in the background, ominous and foreboding, but forgotten in the charming love story that is unfolded.

"Lilac Time" was produced for First National by John McCormick and was directed by George Fitzmaurice. It is based on the play by Jane Cowl and Jane Murfin and in its transformation has gained a poignant, gripping realism. Gary Cooper, remembered for his portrayals in "Beau Sabreur" and "The Legion of the Condemned," appears as Jeannine's sweetheart, and others in the supporting cast are Burr McIntosh, George Cooper, Eugenie Besserer, Emile Chautard, Cleve Moor, Jack Stone and Lieut. Richard Grace.

### PALACE

Bebe Daniels casts aside slap-stick roles for a dramatic one in "Take Me Home," now showing at the Palace Theater. She is supported by Neil Hamilton as the country boy, Lillian Tashman, Joe E. Brown and others.

The story concerns a country boy who is befriended by an actress, the understudy to the leading lady in a show. After she has taught him some steps she secures a small part for him in the show. Here the leading lady takes more than a lively interest in him and sees that he gets a better role. She tries to win his love and a quarrel ensues between the two actresses. The lead is unable to go on and Bebe as the understudy scores a hit in her place. She repulses the boy, believing that he loves the leading lady.

Their affairs are straightened out by the manager, however, and they both

are featured together. Several years later finds them living happily with their children on their farm.

On the stage Wesley Eddy and his Palace Syncopators are presented in Charles A. Niggemeyer's loew-Public presentation, "Bars and Stripes," with King and King, Lambert, the Dennis Sisters, Roy Chaney and the Gould Girls.

Added attractions include the Fox Movietone News, the M-G-M News, the Palace Orchestra under Harry Borjes, short subjects and a political organologue into which the audience casts its musical vote.

### RIALTO

"The Whip," First National's picturization of the famous stage melodrama is the feature at the Rialto this week.

For sheer, mile-a-minute melodrama of this type, "The Whip" can scarcely be surpassed.

It has train wrecks, a hero with

amnesia, an automobile smashup, numerous falls from horses both intentional and otherwise, enough plots to start twenty South American revolutions and divers other accompanying highlights.

It has moreover, a cast of excellently chosen and directed players, a richness of setting and costuming found in few productions and a smoothness of dramatic technique which makes it all seem highly plausible.

To Dorothy Mackall goes first honors for her portrayal of the heroine, Lady Diana. Lowell Sherman, sleek and suave and unscrupulous cinematic villain contributes a delightfully subtle performance, and Ralph Forbes is a thoroughly satisfactory hero.

Never has Anna Q. Nilsson looked more beautiful or striking than in her role of "Madame d'Aquila," a woman of the world who lends a hand to Mr. Sherman's innumerable connivings.

"Such popularity must  
be deserved!"

Down deep in the Kongo the native sons believe that anybody who has an explorer for dinner will absorb all the brains, courage and other success-assuring virtues of the unfortunate victim.

We wish we could say the same of Chesterfields—that all their popularity is conferred upon whosoever smokes them. Frankly, however, this is not invariably true. Several Chesterfield

smokers have recently been discovered who are not ambassadors, steel kings, or even bank presidents.

But—since Chesterfields are so satisfying, mild and different—we'll all of us continue to enjoy them for these sound smoke-virtues alone.

Popularity? Six million smokers are enjoying 'em today. Such popularity must be deserved. Make it six million and one?

## OXFORD RULES FLAUNTED

OXFORD, (IP).—It is considered a breach of etiquette for Oxford University women to talk on the streets with Oxford men. British newspapers recently have been commenting on the shocking manner in which the Oxford students are beginning to disregard this tradition.
